

## Money Matters

Set & discuss a **monthly budget**.

Never **judge or rescue** the family; don't give them money directly.

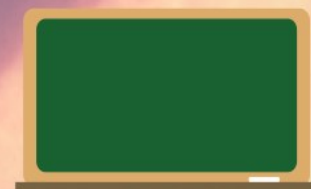

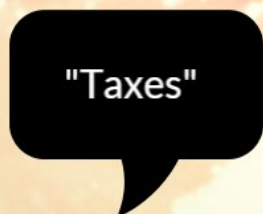

Be **creative**, not extravagant. Search for **free** activities around Denver.

Look for opportunities to **discuss finances** - at the store, at restaurants.

Don't be afraid to **start now** - it's not too late to make changes or teach new lessons.

**\*Talk with your Mentoring Specialist about any questions or concerns.\***
