

Defining Boundaries

Guidelines that govern a relationship, protect the mentee & mentor, and model appropriate relationship behavior in the process.

Don't spend too much time together

Be consistent & punctual

Don't become an ATM - money changes the relationship

Consider a monthly mentoring budget

Keep activities simple & moderate

Connect the mentee with community resources

Listen & ask first before sharing

Consider your motivations for self-disclosure

Appropriately disclose to encourage trust & authenticity

Get to know the mentee's family

Prioritize your relationship with the mentee
